I am a passionate developer but most importantly, I am about technology. I am self-driven and eager to expand my knowledge towards computer sciences.

## EXPERIENCE

### Sushi Chef - Gozen Japanese Restaurant

June 2017 - January 2020

- Worked with top sushi chefs during peak hours making sushi rolls, nigiri, and sashimi for one of Visalia's top rated restaurants.
- Trained employees how to efficiently and safely prepare fresh fish and other foods.
- Cut, deboned, and prepared salmon, tuna, halibut, and blue fin.
- Worked efficiently with a team in a high pressure environment.
- The restaurant needed a new website, I took it upon myself to create one
- Planned, designed, and executed a fully responsive and functional website
- Utilized CSS/Sass, Javascript, Bootstrap, and HTML5.
- Negotiated domain prices with past author.
- Improved SEO for current website.
- Deployed new website with Hostgator and Cyberduck.
- Communicated with business owners frequently, implementing features according to their demands.
- Increased site speed by 15%.
